

Training

Comfort Centre Training

Comfort Centre Training is provided by the Emergency Management Office.

the comfort centre training is a full day training that will go over roles and responsibilities, as well as the set up of the comfort centre.

to prepare and serve food there should be at least one individual in a comfort centre with food-safe training, this is an 8-hour online training.

any training requests can be accommodated by emailing HRM_EMO@halifax.ca.
